WHALE

DINING CHAIR

The Whale Collection showcases an elegant and robust design, inspired by the form of a whale skeleton. This collection combines sustainable and natural materials with high-quality teak wood in balance. While strong and thick lines on the vertical plane make its design clear, its structure on the horizontal plane attracts attention.

In addition to its skeletal structure, wide seating details enhance comfort, offering relaxing experience. The collection features Sunbrella fabric options in Ash and Noche teak finishes, complemented by a coffee table set crafted from sandstone.
